<p>Mr Harrison's daily update</p>	<p>Good morning Year 4 and a very happy, sunny Wednesday to you. I am hoping that all of you have seen Mrs Fergusson's letter about internet safety. Whilst we are all having to stay at home, we are all using the internet more to talk to our friends and family online, whether that is by sending an email, using a chat facility such as Zoom or Facetime on our grown-ups phones, or playing online computer games on our consoles. As an activity to start your day, I'd like you to think back to our PSHE and Computing lessons on internet safety. Talk to your grown-ups about why it is important to keep personal information to yourself online and how we can keep ourselves safe. Here is the link that Mrs Fergusson sent: <a href="#">Online Safety</a> Stay safe my fabulous lot!</p>																										
<p>English Reading</p>	<p>Here is the link for part three of 'Tom's Midnight Garden': <a href="#">Part 3</a> Write a short summary of the events of part three and discuss it with your grown-ups. You should also spend at least 20 minutes today reading your own books.</p>	<p>Spelling Sentence of the Week</p>	<p>Continue to practice writing your spelling sentence all week. Don't forget to use Kinetic Letters. The tricky words to learn are written in blue. The <b>lonely</b>, <b>midnight</b> time <b>traveller</b> <b>wondered</b> how he was <b>wandering</b> around <b>aimlessly</b> in the <b>distant past</b> and <b>impending future</b>.</p>																								
<p>English Writing</p>		<p>Today, we need some details for your story. Think about the era that your house and garden are set in. In the book, Tom is from 1957 but the garden is in the Victorian era. Tom travels back in time.</p>	<p>Word Challenge</p>	<p><b>COUNTDOWN</b> <b>CONUNDRUM</b> Unscramble the letters to find a 9 letter word. <b>TSQEREDUE</b></p>																							
<p>Maths</p>	<p>Today we will be continuing with our fractions revision. <b>Today's challenge:</b> How many ways can you represent two thirds (2/3)? Think about equivalent fractions, multiplying or dividing whole numbers (2/3 of 6 = 4), drawing Dienes, representing the fraction on a clock, drawing a diagram. There are many ways to do this. Could you make an A4 poster all about 2/3? <b>Remember:</b> Your fraction is your whole number split into three <b>equal parts</b>. Two thirds is representing two out of the three <b>equal parts</b> of the whole.</p>																										
<p>French with Mrs G-D</p>	<p>Salut tout le monde! Ca va aujourd'hui? Hope you're keeping well and that you had a lovely bank holiday weekend. Here are some useful phrases to practise this week. We've looked at some greetings, so here are few more...</p> <table border="0"> <tr> <td>Bonjour!</td> <td>Hello!</td> <td>Salut!</td> <td>Hi!</td> </tr> <tr> <td>Bonsoir!</td> <td>Good evening!</td> <td>Bonne nuit!</td> <td>Good night!</td> </tr> <tr> <td>Au revoir!</td> <td>Good bye!</td> <td>Bienvenue!</td> <td>Welcome!</td> </tr> <tr> <td>Ca va?</td> <td>How are you?</td> <td>Ca va bien merci.</td> <td>Good thanks.</td> </tr> <tr> <td>Comme ci, comme ca.</td> <td>Ok.</td> <td>Ca va mal.</td> <td>Bad.</td> </tr> <tr> <td>Je suis malade.</td> <td>I'm ill.</td> <td>Je suis fatigue(e).</td> <td>I'm tired.</td> </tr> </table> <p>Take care of yourselves and au revoir!
