*Stay safe and keep washing your hands!* Mr Harrison.

Mr Harrison's daily update	Good morning Year 4 and welcome back to The Wild West. Thank you for sending even MORE dance and music videos my way. Waka Waka: The Lockdown Mix is almost complete. Mrs G-D has given you a very exciting Wild West French task for today, and you finally get to watch the short film 'Ruckus' for your English. Have a wonderful day and don't forget to go outside and get some fresh air at some point. It's beautifully hot and sunny out there today!

Tell them about the plot, the characters and the setting.	<b>Spellings</b>	Spend 10 minutes on Spelling Shed on levels 5/6. English Writing		<p>The first thing you need to do today is watch the short film all the way through. <a href="https://vimeo.com/68344409">https://vimeo.com/68344409</a> Discuss with your grown-ups what you thought of the film. Did your predictions from yesterday come true?</p> <p>Now, create yourself a table like mine below. Re-watch the film and pause at the times in the film that are marked 'key moment' in your table. This will help you fill in the rest of the table. I've done two examples for you.</p>																														
<table border="1" style="width: 100%; border-collapse: collapse;"> <thead> <tr> <th style="width: 15%;">Key Moment</th> <th style="width: 45%;">What do you notice?</th> <th style="width: 40%;">What might this tell us?</th> </tr> </thead> <tbody> <tr> <td>0.14</td> <td>The word RUCKUS appears on the screen.</td> <td></td> </tr> <tr> <td>0.23</td> <td></td> <td>The two brothers are patiently waiting to stow away on board the steam train.</td> </tr> <tr> <td>0.31</td> <td></td> <td></td> </tr> <tr> <td>0.41</td> <td></td> <td></td> </tr> <tr> <td>0.49</td> <td></td> <td></td> </tr> <tr> <td>1.00</td> <td></td> <td></td> </tr> <tr> <td>1.06</td> <td></td> <td></td> </tr> <tr> <td>1.10</td> <td></td> <td></td> </tr> <tr> <td>1.23</td> <td></td> <td></td> </tr> </tbody> </table> <p style="color: red; font-weight: bold;">Find the key moments for the second half of the film and add them to your table.</p>		Key Moment	What do you notice? Maths	<p>This week, you will be doing some exercises to help with some of your times tables. Firstly, spend 15 minutes practising your times tables on Maths Shed, then complete today's tasks for the 11 and 12 times table.</p> <p>a) <i>An alien spaceship has crash landed on Earth. Inside were two groups of alien cowboys; some from the planet Tex and some from the planet Hex. The cowboys from Tex had 12 eyes, the cowboys from Hex had 11 eyes. There were 104 eyes in the spaceship.</i></p> <p style="text-align: center;"><i>Use your knowledge of the 11 and 12 times tables to work out how many aliens there were from each planet. Explain how you solved this problem.</i></p> <p>b) <i>Write your own problem which requires the knowledge of the 11 and 12 times tables. Get your grown-up to solve your question.</i></p>
