

Year 5's Home Learning Letter

Tuesday 21st April

If you have any questions about your learning, want to show me what you've done or would just like to say hello, you can get in touch using: year5teacher@kingsapps.co.uk I'd love to hear from you 😊

<p>Halton's Hello!</p>	<p>Good morning everyone! Well, it was SO lovely to speak to nearly all of you yesterday – I've missed hearing your voices! Sounds like you've all had a wonderful Easter break and have been having a lovely time at home. I'm very proud that you've all done so brilliantly with your home learning yesterday too – well done for being so motivated! Thank-you all for putting a big smile on my face 😊 Love Miss Halton xxx</p>											
<p>Spelling</p>	<p>Rule: Prefixes –dis and Year 5 words <i>When the prefix –dis, –mis or –re is added to a word, it gives that word the opposite meaning.</i> Sentence: The disagreement between two neighbours had insufficient evidence for a judge to interfere. Practise your spelling sentence (remember – you can practise on spelling shed too!)</p>											
<p>Reading</p>	<p>Read Chapter One of The Clockwork Crow! I've emailed you a pdf of the first chapter – let me know if you have trouble opening it! 😊</p>											
<p>English: Vocabulary</p>	<p>Choose three words from the grid below and show your understanding by completing a vocabulary card for each. You will need to draw four boxes for each word.</p> <table border="1" data-bbox="496 719 1038 824"> <tr> <td>cosier</td> <td>grate</td> <td>curiously</td> </tr> <tr> <td>shawl</td> <td>numb</td> <td>thaw</td> </tr> </table> <div style="display: flex; justify-content: space-around; align-items: flex-start;"> <div data-bbox="280 880 695 1111"> </div> <table border="1" data-bbox="769 880 1184 1111"> <tr> <td>Word</td> <td>Definition in your own words</td> </tr> <tr> <td>Picture to illustrate the word</td> <td>A reminder of what it does NOT mean</td> </tr> </table> </div> 		cosier	grate	curiously	shawl	numb	thaw	Word	Definition in your own words	Picture to illustrate the word	A reminder of what it does NOT mean
cosier	grate	curiously										
shawl	numb	thaw										
Word	Definition in your own words											
Picture to illustrate the word	A reminder of what it does NOT mean											
<p>Handwriting</p>	<div style="display: flex; align-items: center;">  <div data-bbox="1123 1126 1544 1323" style="margin-left: 20px;"> <p>Practise y and j from the fisher family. Write five words which use the letters. Don't forget to draw your trees in the margin! 😊</p> </div> </div> <div style="display: flex; align-items: center; margin-top: 10px;">  </div>											
<p>Maths: Addition and subtraction</p>	<p>Step One: Solve the following arithmetic questions</p> <table border="1" data-bbox="236 1391 1155 1496"> <tr> <td style="text-align: center; vertical-align: middle;">  $2,394 \times 6 =$ </td> <td style="text-align: center; vertical-align: middle;">  $1548 \div 4 =$ </td> </tr> </table> <p>Step Two: What goes in the missing space? (Hint: Think about how you could use the inverse to help!)</p> $12_2 \div 6 = 212$ $14_4 \div 7 = 212$ <p>Step Three: Using the digits 1,2,3 and 4 in any order in the bottom row of the number pyramid, how many different totals can you make? You have to multiply the two numbers in the boxes to find the total of the box above. What is the smallest/largest total?</p> 		 $2,394 \times 6 =$	 $1548 \div 4 =$								
 $2,394 \times 6 =$	 $1548 \div 4 =$											
<p>Wider Curriculum</p>												
<p>Choose one or more of the</p>	<p>Geography</p> <p>Dance</p>	<p>Using google maps (or another website!), find where Greece is located. What countries does it border? What is its capital? What seas are next to it? What are three of its islands called? What continent is it in?</p> <p>Have a 'dance-off' with someone in your household!</p>										

**activities
for today:**

DT

Have a go at making your own marble run around your house! Be creative with what you use – how far can you make your marble/ball travel? You could use toilet roll tubes, empty boxes, lego... anything! I'd love to see a photo!

**Final fun
fact!**

Fourteen new species of dancing frogs were discovered in 2014, raising the global number of known dancing-frog species to 24!

I wonder what their favourite song is...? I bet it's the lindy hop! Hehe!
