

Year 2's Home Learning Letter 31.03.20

Hi guys! Happy Tuesday. Don't forget, I'd love to hear from you. If you've got any questions or want to send me any pictures of your learning, you can send me an email using the address year2teacher@kingsapps.co.uk or adminoffice@kingscopse.hants.sch.uk. I'll reply when I can. ☺

Spelling:

This is your spelling sentence:

A **contraction** in words require an apostrophe like when cannot becomes **can't**.

How many words can you think of that include a contraction?

wouldn't = would not

Remember: It is also on Spelling Shed so you can play some games too if you want to.

Reading:

I would like you to read every day for 15 minutes either on your own or with an adult.

Write down the book you read and the pages. Discuss which character you like and why.

Writing:

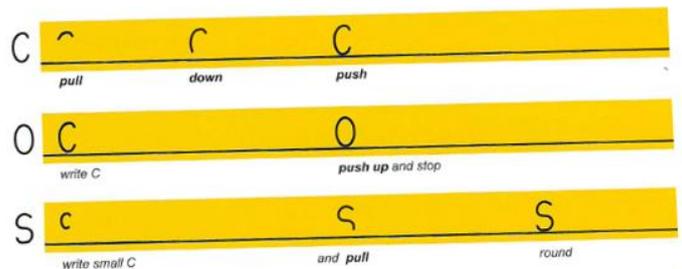

We have read two books this year where the colour gradually appears as the book goes on - The Night Gardener and Mr Tiger Goes Wild.

This man seems to have discovered an unusual curtain in the world he lives in. We will use this picture for the rest of the week. Today, think about the man. How would you describe him? What is he like? Does he work? Who does he live with?

Handwriting:

Please practise the first letters in The Curved Lines group. Why not have a go at using paint this time first before writing them in your book. Remember to put the trees next to your margin. This will help with the size.

Maths:

| | |
|---|---|
| $97 - 9 =$ | $3 \times 8 =$ |
|  |  |
| $67 + 16 =$ | $26 \div 2 =$ |
|  |  |

Times tables: Please practise your 5s. If you used MathsShed yesterday, write them out but jumble then up. Can you still get them right? You can still do this if you didn't practise online or head over to Maths Shed today.

Calculation: Please complete the maths questions. Remember to draw the question in a way that helps you. You could use bricks to make towers for 'lots of' or to share into different groups.

Question: There are 13 ducks on a pond. 6 fly away but 8 come and join. How many ducks are there now?

Wider curriculum:

Art: Have a go at drawing yourself! This is called a self-portrait remember and lots of artists are known for it. If you don't have a mirror, you could use a photograph of yourself to help.

History: Our own personal history can be more interesting than we think. Create a family tree for the people you live with.
