

Year 2's Home Learning Letter 25.03.20

Already half way through our first week! Don't forget you can contact me at year2teacher@kingsapps.co.uk or adminoffice@kingscopse.hants.sch.uk if you've got any questions or want to share your adventures! 😊

Spelling:

This is your spelling sentence:

Be **careful** when you are carrying eggs laid by our **beautiful** chickens.

Select four of the words and use segmentation to make them easier to remember.

E.g. **Birth**day can be broken down into separate sections or sounds like **b-ir-th-day**.

Remember: It is also on Spelling Shed so you can play some games too if you want to.

Reading:

I would like you to read every day for 15 minutes either on your own or with an adult.

Write down the book you read and the pages. Discuss your favourite part of the story.

Writing:

If you can watch 'The Girl With the Yellow Bag', what would you put into her bag?

Think about how she finds something broken and uses the magic of the bag to turn it into something wonderful. When she puts in the broken glass, stars appear. What would you put in and what would it turn into?

Remember: This is the video we have been watching in English.

<https://www.literacyshed.com/girlwithyellowbag.html>

Handwriting:

Please practise the letters in The Straight Line Group in a way that works for you.

Maths:

$80 - 23 =$	Double 7
$46 + 24 =$	Half of 10

The grid contains icons for subtraction (blue minus sign), multiplication (red X), addition (yellow plus sign), and division (green division sign).

Times tables: Please practise your 2s. Write them out as the question and the answer separately. Turn them upside down and try to match them back up. Remember you can use MathsShed if you'd prefer.

Calculation: Please complete the maths questions,

Question: A box contains 6 eggs. How many eggs would I have if I bought 5 boxes?

Wider curriculum:

Music: We usually have Music on a Wednesday. Listen to your favourite piece of music and write a review of it.

PE: It is also our PE day usually. Engage in an activity of your choosing. Maybe head into the garden for some ball games, dance around your room to music or try some yoga. You could use 'Cosmic Kids' on YouTube.
