Discussion of the Week

It has been another busy week in school this week. I continue to be impressed by children's learning and am sure that you will see how well they are moving on as part of next week's scheduled Parents Evenings. Please be reminded that the appointment system closes on 16th March. The national news agenda continues to be dominated with the Coronavirus outbreak and as we have been doing throughout, we are monitoring the frequent updates from Public Health England and taking our guidance from them. We would like to ensure that we have everyone's correct email addresses in our systems to ensure that you are receiving the updates as we are sending them. Please can you let us know if there is a change of email address so that we can update this (or alternatively, change it yourself through the Parent Lite App). Children continue to be reminded of the importance of handwashing, and are guided to do this before and after play, lunch, before and after eating as per the guidance for effective hygiene. We have been making initial contingency plans in case of further changes enforced further down the line, however we continue to operate as normal and will update you as often as we have new information.

Y1 Class Assembly

Another great performance by the children in Y1! They shared with their special visitors and the whole school a whistlestop tour of what they have been learning since September. We had counting songs, Indian dancing, examples of writing (as well as perfect poses in lizard, meerkat, lion and penguin position) as well as a phonics lesson ably led by two children acting as Miss Hewitt and Mrs Hart. We also saw a piece of writing from every child in the class and could see how well their writing has progressed. The children were confident and enjoyed sharing what they have learned with us all. Well done Y1!

Mothers Day (TEAM Kings Cops)

On Friday 20th March, it is planned to hold a shopping event for children who wish to be involved in this. Please note that TEAM Kings Cops have sent out their flyers about this. We have spare copies in the office if you have mislaid yours.

Parent Forum date

I would like to invite you to Parent Forum (including a tour of the new building work) on Friday 3rd April at 9am. As well as the tour of the building, there will be an opportunity to talk about how things are going in other areas of school too.

Have a restful weekend!
